Ground Thawing

Whether you are a contractor or a home owner in Canada, winter and its freezing weather can present many obstacles. Frozen pipes, snowy driveways, and frozen ground can all be difficult to deal with

But now with Powerblanket's **ground thawing** blankets, Distributed in Canada by Power Plant Supply Co, you can **thaw ground** quickly, thaw frozen pipes, and melt ice and snow.

Powerblanket's line of **ground thawing** blankets run on normal 120V outlets or car battery outlets. Powerblanket's patented design of heat spreading technology guarantees a warm and uniform distribution that will leave any ground thawed. **Thaw blankets** come in various sizes at very affordable prices.
